# ABOUT RKC

The Rajkumar College, Rajkot is a distinguished residential institution that has upheld a legacy of academic excellence since its establishment in 1870. Set across a sprawling 25-acre campus, the college is renowned for its striking architectural heritage, marked by imposing edifices and graceful stone archways that reflect classic Indo-Gothic design.

Over the course of its rich history, the institution has evolved significantly, becoming a public school in 1938. A defining milestone in its journey was the introduction of co-education in 2001, ushering in a progressive era of greater diversity, equity, and inclusion within the campus community.

At its heart, The Rajkumar College is dedicated to the holistic development of its students. Through experiential learning, service-oriented leadership, and a commitment to global citizenship, the institution nurtures character, confidence, and essential life skills. Its vision is to cultivate thoughtful, responsible, and compassionate individuals who contribute meaningfully to society. By embracing a forward-looking approach to education, the college strives to prepare students to become adaptable, principled leaders capable of navigating an ever-changing world.

The Rajkumar College Rajkot

Established. 1870

# ABOUT RKC MUN

Founded in 2016, the MUN Society at The Rajkumar College, Rajkot has become a vital platform for student engagement in global affairs, diplomacy, and leadership. Since its inception, the society has provided students with invaluable opportunities to participate in various inter-school Model United Nations conferences across India. In addition, it has successfully organized two inter-school MUN conferences and over twenty intra-school Model United Nations sessions, fostering a vibrant culture of debate and international awareness.

The primary objective of the society has always been to actively involve a larger number of students in the MUN culture, thereby nurturing an environment of collaboration, intellectual curiosity, and global consciousness. Through these engagements, students are encouraged to develop essential skills such as public speaking, negotiation, research, and critical thinking, while gaining a deeper understanding of international relations and global politics.

Over the years, the society has grown steadily, attracting enthusiastic participants from a wide range of grade levels and backgrounds. Its reputation for excellence is founded upon a commitment to cultivating informed, confident, and globally aware individuals who are motivated to contribute positively to the world. Whether one is an experienced delegate or a newcomer to Model United Nations, the society offers a welcoming and supportive community where students can challenge themselves, broaden their perspectives, and develop skills that will serve them throughout their academic and professional journeys.

# THEME 2026

## यत्र संवादः तत्र सौहार्दम्

The theme reflects the enduring belief that meaningful dialogue is the foundation of harmony and mutual understanding. In a world shaped by diverse perspectives and complex challenges, open and respectful communication becomes the most powerful means of bridging differences and resolving conflict.

The spirit of this idea lies in the ability of individuals and nations to engage in thoughtful discussion, listen with empathy, and work collectively toward common ground. Constructive dialogue not only strengthens cooperation but also nurtures trust, respect, and shared progress.

Within the context of Model United Nations, this philosophy encourages delegates to approach debate not merely as a contest of opinions, but as an opportunity to collaborate, negotiate, and build consensus. Through sincere engagement and exchange of ideas, participants embody the true essence of diplomacy and contribute to a culture of understanding and unity.

# LETTER FROM THE PRINCIPAL'S DESK

Greetings from The Rajkumar College, Rajkot.

On behalf of The Rajkumar College, Rajkot, I am pleased to invite your institution to participate in the Rajkumar College Model United Nations (RCKMUN) 2026, scheduled to be held from 29th April to 1st May 2026. The conference will bring together students from various schools to engage in stimulating debates and diplomatic simulations, fostering a deeper understanding of global affairs.

The theme for this year's conference, "यत्र संवादः तत्र सौहार्दम् (Yatra Samvādaḥ Tatra Sauhārdam)", draws inspiration from the timeless wisdom of Sanskrit philosophy and emphasises the importance of dialogue as the foundation of harmony. In an increasingly interconnected world, respectful communication and the exchange of ideas remain essential for resolving differences and building cooperation among nations.

Through this theme, delegates will be encouraged to engage in thoughtful deliberation, appreciate diverse perspectives, and collaboratively work towards constructive solutions to global challenges, reflecting the true spirit of diplomacy.

We would be honoured to have your esteemed institution represented at RCKMUN 2026. Kindly find attached the details regarding registration, the conference schedule, and committee agendas.

We request you to confirm your participation by 15th February 2026 and send a delegation of 8 to 10 students from Classes VIII to XII. Further details regarding the conference will follow shortly.

We look forward to welcoming your delegation to The Rajkumar College, Rajkot, for an engaging and memorable conference.

Warm Regards,

**Yash Saxena**

Principal

The Rajkumar College Rajkot

# LETTER FROM THE MUN COORDINATOR

Dear Delegates,

The The Rajkumar College, Rajkot MUN Society was established in 2016 as an intra-school initiative with the aim of cultivating a culture of debate, diplomacy, and intellectual inquiry among students. The vision was not only to send delegations to conferences across the country but also to create an environment where students engage critically with global events and understand their impact on our world. Since then, the society has consistently conducted one intra-school Model United Nations conference every term.

Over the years, the society has grown significantly, organising both intra-school and inter-school conferences while actively sending delegations to various conferences across the country, particularly to our league schools. These experiences have allowed students to broaden their perspectives and develop essential skills in research, negotiation, and public speaking.

As we welcome you to RKC MUN 2026, we look forward to hosting you for a stimulating and enriching conference. Delegates will engage in challenging committees and thoughtfully curated agendas, while also experiencing the warmth of RKC hospitality, our modern residential facilities, and the vibrant atmosphere of the campus. The discussions this year are designed to encourage delegates to analyze complex global issues, exchange diverse perspectives, and collaboratively work towards meaningful solutions. Through dialogue and diplomacy, you will discover that even the most complex challenges can be addressed through reasoned debate and collective effort.

I wish all delegates a rewarding and engaging conference one that offers not only intellectual growth but also lasting friendships, memorable experiences, and a deeper appreciation of global cooperation.

Yours sincerely,

**Minu Pala**

MUN Coordinator

The Rajkumar College, Rajkot

# LETTER FROM THE SECRETARY GENERAL

In the absence of concord, cataclysm is inevitable.  
Where conversation ceases, conflict finds its voice.  
At RKCMUN'26, let understanding prevail before disagreement defines us.

Distinguished Delegates,

It is my privilege to welcome you to RKCMUN 2026. This year's conference holds special significance as we celebrate a decade of the RKC MUN Society, marking ten years since its establishment in 2016. Over this decade, the society has grown from a modest intra-school initiative into a vibrant platform for dialogue, diplomacy, and intellectual engagement.

Guided by this year's philosophy, “यत्र संवादः तत्र सौहार्दम् (Yatra Samvādaḥ Tatra Sauhārdam)”, the conference reminds us that harmony is not accidental; it is created where dialogue thrives. In a world defined by complexity and differing perspectives, the ability to listen, deliberate, and collaborate becomes the most powerful instrument of progress.

Model United Nations is not a contest of voices, but a test of intellect and composure. The strongest delegate is not the loudest speaker, but the most prepared mind. Speak with conviction, negotiate with purpose, and defend your policy with clarity because diplomacy is not power displayed, but power exercised with discipline.

As you participate in RKCMUN'26, I encourage each of you to approach every session with preparation, curiosity, and integrity. Debate with clarity, negotiate with purpose, and collaborate with an open mind. It is through thoughtful dialogue that the most enduring solutions emerge.

May this conference be more than an academic exercise. Let it be a space where ideas flourish, friendships are forged, and young leaders learn the art of diplomacy that shapes a more cooperative world.

With conviction and confidence,

**Reyansh Punjabi**

Secretary-General

RKCMUN 2026

# COMMITTEES AND AGENDAS

## Committee - 1

FCCC (Futuristic Continuous Crisis Committee)

*Agenda:* Crisis in Balochistan

## Committee - 2
